PROFESSIONAL EXPERIENCE

Founder & Creative Director

Coloring With Gray 2024 - Present

Leading the development and launch of a luxury fragrance brand focused on innovative sensory experiences and sustainable practices.

- Created and launched "Reflections of You," a bespoke fragrance portfolio leveraging proprietary olfactory technologies that evolve with individual wearers.
- Engineered a brand ecosystem converging consumer psychology with artistic narrative, pioneering innovative market approaches.
- Oversaw end-to-end product development, material procurement, and sustainability-driven production strategies.

Key Project: VOL 1 Coffee Concept

- Developing a revolutionary 4th wave coffee experience that transcends traditional boundaries of coffee, culture, and craftsmanship.
- Creating a global destination concept where tranquility and artistry inspire connection and discovery.
- Integrating multiple cultural influences with innovative brewing methodologies to establish a new standard in coffee experiences.

Financial Analyst (Residuals)

Cast and Crew April 2019 - Present

Providing sophisticated financial analysis and reporting for major entertainment industry clients.

- Administer and validate residual payment infrastructures across multifaceted entertainment platforms.
- Employ advanced econometric modeling, pivot analytics, and data visualization methodologies.
- Conduct rigorous contractual analyses ensuring full adherence to collective bargaining frameworks.
- Liaise with executive-level stakeholders at HBO, Netflix, Starz, and Amazon, delivering high-impact financial insights.
- Spearheaded automation initiatives, optimizing reporting systems to reduce processing duration by 30%.
- Led systemic workflow enhancements, augmenting operational precision and bolstering institutional efficiency.

Freelance Consultant

Business Strategy & Development March 2016 - Present

Strategic advisor for businesses across multiple industries, focusing on growth strategy, operational efficiency, and consumer experience.

- Deliver high-caliber consultancy services focusing on corporate structuring, operational streamlining, and strategic growth.
- Architect and execute holistic project frameworks, integrating advanced financial modeling and legal constructs.
- Negotiated pivotal acquisitions and formulated dynamic compensation paradigms that reduced capital expenditure.
- Facilitate executive strategy workshops, fostering sustainable growth trajectories and innovative market expansion.

Selected Projects

- **C'est Bon Paris Fashion Week:** Contributed audio design and narration for runway presentation, featured in Vogue and Pause Magazine.
- **SOBE x Trophies Collaboration:** Designed menu concepts and provided artistic direction for culinary partnership.
- **Upgrade Labs (Bulletproof Labs):** Helped establish operations for biohacking fitness center, devised strategic business plans, and trained on 15+ equipment pieces.
